IFSE acknowledges with tremendous appreciations the efforts put in by your innovative self to motivate the students of your prestigious institution for **IFSE'S GLOBAL MATHEMATICAL TALENT PROBE during current year**. Your participation in this test indicates your forward looking approach to academics. Your initiative speaks volumes of your vision and keen desire to see your students scaling great heights. It also reflects your flair for the academic excellence.

The performance in this test is a pre-cursor to the child's final performance in this subject. These students are well equipped with the timely feed back and can reinforce their efforts to better **their score** in the various competitive examinations which he/she has to undergo during the coming years.

We are grateful to you for giving a chance to your students to participate in this highly competitive test creating a quest for **MORE AND MORE** in young minds.

Once again we appreciate your sincere efforts to motivate the students of your institution for participation in this highly competitive and brain storming examination.

With Regards
