Trip to Bangla Sahib, Humayun`s tomb and National Museum, Delhi

Date - 23/12/17

Classes involved - VIII to X

Aims of the trip :

- To provide practical knowledge about Mughal architecture.
- To connect them with religious diversity and generate feelings of National integration.
- To make them understand value of Tourism.

Description - To achieve the objectives mentioned above we organised a one day educational trip to Delhi and visited at three sites Bangla Sahib, Humayun's Tomb and National Museum.

The trip was a great source to develop understanding about India's religious diversity, to generate a feeling of secularism. By watching Humayun's Tomb students learnt about Indio-Islamic architecture and became curious to know about mughal dynasty. Students learnt a lot about Indian history when they visited National Museum .
