Brief about the Activity : -

Rhymes reinforce learning in all areas of the curriculum including reading, language, math, art, and science. Keeping this in mind English rhyme dramatization activity was conducted at BBPS, Jharli for Pre-Primary kids. Children performed different rhymes using props. It was a magical experience for me and all as they were performing the rhymes with action, expression, intonation and voice modulation. Everyone showed their talent with full enthusiasm.

Learning outcome :

- i) Our children came to know about the different festivals.
- ii) To develop language, literacy, creative-thinking, and social skills.
- iii) To make them independent .
