BAL SABHA ACTIVITY (Science Week)

DATE : 21/1/19-25/1/19

CLASS : P.P-I

VENUE : Class Room

NATURE : Individual

Brief about the Activity:

A Bal Sabha activity named “Science Week” was held in the third week of January i.e.21/1/19-25/1/19, an initiative undertaken to make the students understand the Science is fun. Keeping in sync with the theme, a number of activities were organised. The activities were as follows:-

Science Week

- Parts of a plant.
- Sink and Float.
- Soluble and Insoluble.
- Air occupies space.
- Gravitational Force.

The week was a success as our tiny tots performed well and really enjoyed these activities. It was learning for the students.

Learning outcomes :

- i) To develop critical thinking.
- ii) To make them think logically.
- iii) To make them aware about their surroundings.
- iv) Development speaking skills.
- v) Language Development(Hindi & English)
