VENUE : School Corridor

Brief about the Activity:

‘Science isn’t about why....It is about why not?’

The Pre-Primary students took part in germination activity on 18-10- 2019, with great enthusiasm and excitement. This was an initiative undertaken to make the students understand germination of seeds at pre-primary level. As learning by doing gives concrete understanding. While observing the seeds , how to sow the seeds ,its growth is amazing and wonderful experience for tiny tots .
