BAL SABHA ACTIVITY
(My favourite family member)

DATE :29.11.19

CLASS :Pre-School

VENUE : Art room

NATURE : Individual

Brief about the Activity :-

“The family is the first essential cell of human society.” –Pope John.

My favourite family member activity was organised for pre-school children to enhance social and emotional development, concentration and self-discipline. This time they were more excited than earlier. Every child spoke about their favourite family member that how they care, help, inspire and teach them. Their parents are their Magic wand and their Role model. All were more courageous and more capable than they ever imagined! . This activity helped me to bring closer to them.

Learning outcomes:-

- Enhanced social and emotional development.
- Promoted the child's mental, linguistic and emotional development.
- Helped the child exhibit optimistic and confident social behaviours.
- Taking turns.
