BAL SABHA ACTIVITY (Best Out of Waste)

DATE : 04-10-2019

CLASS : Pre-Primary -II

VENUE : Class Room

Brief about the Activity:

"Creativity, as has been said, consists largely of rearranging what we know in order to find out what we do not know. Hence, to think creatively, we must be able to look afresh at what we normally take for granted."--- George Kneller

In order to make children aware of uses of waste material, and to give them a lesson on reducing waste to save our future, a 'Best out of Waste' competition was organized on 4th Oct, 2019 for Pre-Primary -II. Little hands and imaginative minds came together in a creative burst of energy. Mind-blowing, beyond expectation, fantabulous ideas were demonstrated by students. They prepared very creative and innovative models and art items from different waste materials. It helped the students to develop their fine motor skills while using different kinds of material and also encouraged them to use waste material for making decorative and useable items.

The creativity and artistic streak of the children were observed.
