

BAL SABHA ACTIVITY
Technology a Boon (Debate Competition)

DATE : 13.12.19

CLASS : III -V

VENUE : Reception Area

Brief about the Competition :

A Debate Competition conducted for classes III-V. Students have participated and presented on topic 'Technology- A boon or a bane for human race'. Some students were in favour and some were against the motion. They have presented in pairs having one in favour and one as against. They have done very well as they counter each other on the points they were in favour off. They all spoke very well. Through this activity, they have build confidence among themselves to speak and counter for their own points. They all enjoyed the competition as they learnt so many things about Technology through this activity.

Result of English Debate Competition:
