# Glimpses of Sports Meet

## TAKING OATH...

When a man takes an oath he's holding his own self in his own hands. When an oath is taken... the mind is more attentive; for it guards against two things, the reproach of friends and offence against the gods.

## LEADING THE MASSES...

A leader is best when people barely know he exists, When his work is done, his aim fulfilled, they will say: we did it ourselves.

A leader is one who knows the way, goes the way, and shows the way.

A genuine leader is not a searcher for consensus but a molder of consensus.

## MARCHING AHEAD...

Play is the highest form of research. Teaching children is an accomplishment; getting children excited about learning is an achievement. Let us march past the flag of the past, saluting our achievements; pondering over our mistakes and thinking of the lessons for the way forward as we march forward to a great tomorrow.
