International Family Day ; 15 May.

We are aware that Families are the foundation of society and Some of the most formative years of our lives are spent growing up with our families, And today the extensive spread of Covid-19 has also brought the families together.

BBPS Jharli organized some activities for the students .

Students sharemd views and family pics on this day

1x

Lockdown and Opportunity to
conned with family

In today's world when everything is losing its meaning, we need to realize the importance of family more than ever while the world is becoming more modern and advanced, the meaning of family and what stands for remains the same. The deadly corona virus disease has spread around the world. Because there is no drug

Topic: Family Day Date: 15/05/2020 Page No: 1

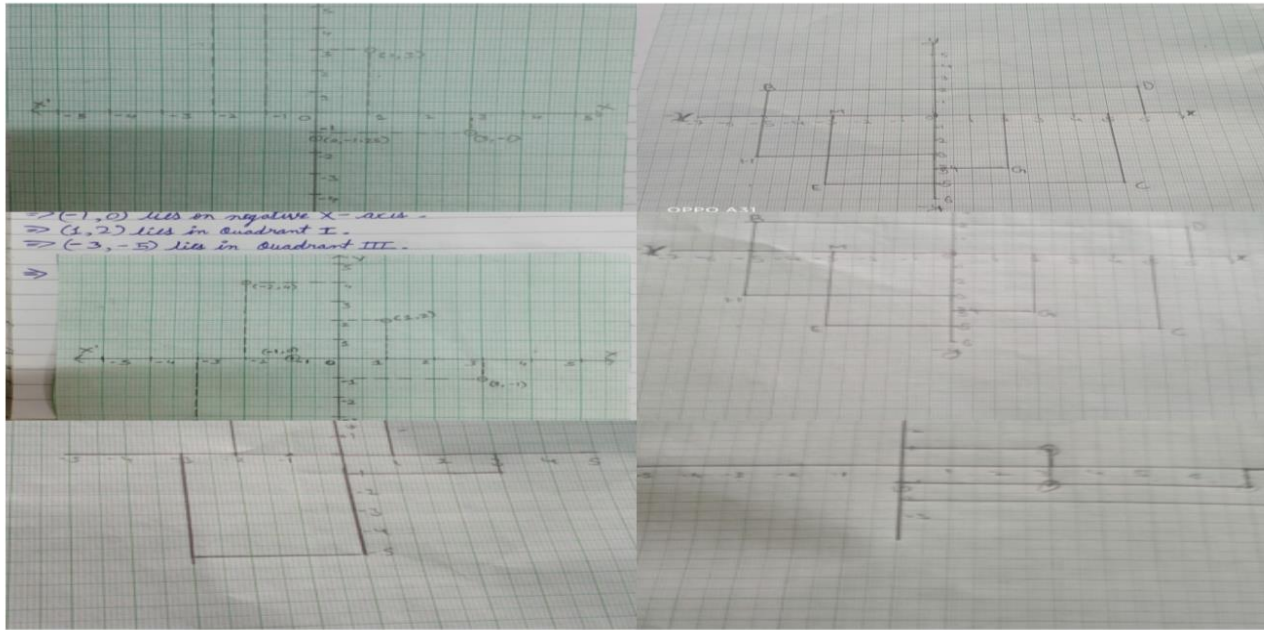

Covid-19 lockdown and International Family Day

1) So, as we all know that the whole world is suffering from coronavirus pandemic, the world is in a hurry and taking severe precautions to overcome this critical situation. It has also given a worst impact on the economy of the world. The whole world is locked down. A large number of people have lost their jobs. The UN agency now estimate that global working hour which are lost during this period are equal to the loss of 305 million full-time jobs.

2) Now, let's talk about "International family day". The 15th of may is celebrated as "International Family Day" every

Activity Based on Coordinate Geometry: 13.05.2020

Students made various Graphs during online session .Denote abscissa and ordinates on the graph paper and measure the distances from x axis and from Y axis.

Bal Sabha Activities for the week (11th May 2020 to 16th May 2020)

Celebration of International Day of Families (15th May 2020)

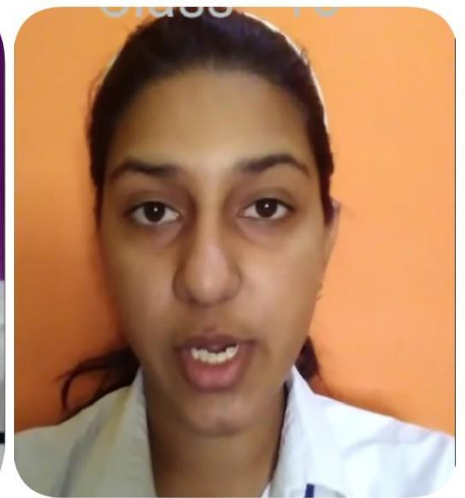

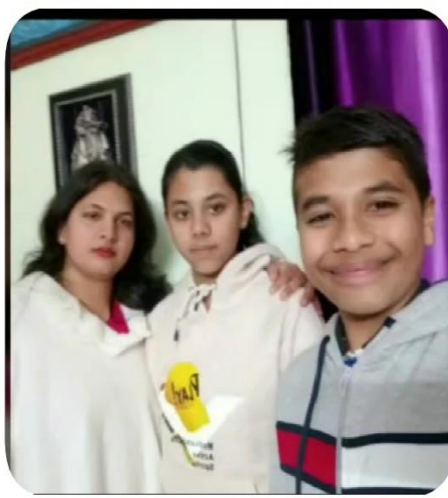

Family

The first people to know you
The ones who gave you a name

They give you Love
And a Place to belong;

The root from which you came.

Cherish them while you have them....
When they're gone, it's never the same.

Attendance of the week
