## Feedback of Online classes

I am satisfied with all the subject teachers and other activity teachers. You all are doing great work and efforts to learn from home which is highly appreciated . My child is doing great and takes interest in studying online. Thanks to BBPS for such a hard work everyone is doing and gives a nice platform for teaching our child.

The online class started by the school has been an extreme success. The learning outcomes are further enhanced and reinforced through various recap assignment uploaded.
