We understand that it's really difficult for teachers as well to manage kids at home and at the same time taking online sessions. We would like to thank the entire Bal Bharati Team for their efforts and dedication with which they are managing this session online.

Syllabus for the month of April is being covered and is on the right pace due to the onset of online classes through Google platform. Students had first-hand experience of the online learning where they came face to face with their entire class. Their joy knew no boundaries when they saw their peer group, their friends and their teacher.

The worksheets, PPTs and videos created and shared with the students to enhance their learning. Several audio clips of stories and rhymes were shared to enhance the listening skills of the students.
