The online session undergoing for the students is very good concept. Even though lockdown period is applied over the whole country for controlling the COVID-19 cases, all concerned teachers of BBPS Jharli are taking enough pain to take their respective subjects and teaching the students with enough patience and clearing the necessary doubts of their students by telephonic and also through concerned WhatsApp replies.

Clear explanations, understandable interaction with students. Satisfied with the effort the Teachers are putting through online classes as it's not a easy job to deal with.. Thank you Team BBPS JHARLI

Every thing is going excellent.
In all subjects. 👍

Is it iodized?

Human body requires iodine daily. Its deficiency causes a disease known as "GOITRE" (THYROID DEFICIENCY DISEASE) which leads to the Swelling, Mental and Physical Impairment. Therefore, to keep healthy, we should use "Please ensure consumption of Iodized salt" in your KITCHEN.

Goitre is caused by deficiency of iodine in goitre, a gland in the neck region swells. Goitre can be prevented by using iodized salt. Sea food is also rich in iodine.

Feedback of Online classes

Tanvi and Mukul are new admission in your school. I am dealing with your school staff and teaching process for the very first time. Still I feel pretty much contented that they are going to study under such great educators , guidance as if I feel that they are now come to the right place for their further studies. I must say all the teachers are working very very hard. We, the parents, gets tired while teaching only our kids and there you are.....! Educating 40 students at a time and you all play many roles in their lives too. They have no time for rest. These are not just lines but my true and genuine feelings for you all. Hat's off to you all for your hard and flawless work

--Parent of Tanvi

I am satisfied with all the subject teachers and other activity teachers. You all are doing great work and efforts to learn from home which is highly appreciated.

The online class started by the school has been an extreme success. The learning outcomes are further enhanced and reinforced through various recap assignment uploaded.
