PARENT'S FEEDBACK

Thank you so much mam. You have taken great care of the kids they have really enjoyed a lot thank you so much for your regular concern.

Respected ma'am I would like to thank all the teachers and principal sir for a very delightful and wonderful teaching experience for our little kids. It was a terrific online learning program which showcased the abilities of our little ones thereby making them more confident as a person.

Thank you all for so much of support during this ongoing pandemic situation.

Respected madam
i would like to thank for your hard efforts made in teaching our child.i must say teachers put in so much more than 9 – 5 work hours. You've shown your commitment and love for our child and put in so much of your own time and effort.

Respected ma'am

Thanks to all the teachers and school for taking the efforts for keeping the interest intact in kids my daughter liked online classes very much

8:06 PM

Respected ma'am,
We are very happy the way you all are making efforts to teach our child.Only because of BBPS effort our child is able to grow even in the times of this covid_19 crises.Thank you for all your efforts.

7:25 PM

Respected mam..first of all I want to thank school management for starting online class room program as the situation is not in favour of opening school..this is some sort of new experience and now my kid has started enjoying it..moreover the course went very smooth and assignments , oral tests , quiz given by you were very helpful in development and learning of our kid..thank u so much for all your beyond limit efforts.kudos to you.

FEEDBACK OF ONLINE CLASSES

Preksha madam, Thanks for making the Maths online assignment editable online. It is easy to attempt the assignment and submit online. It has helped saving time and precious resource. I would suggest other subject teachers to do it this way.
--Parent of Poorab Sharma

While many of us doing nothing at home except watching TV and using social media but teachers are working hard to teach children lessons with limited resources. Thank you so much ma'am.

Transform Webinar

Transform Webinar

Webinar held on : 8/6/2020

Class Involved : 10th

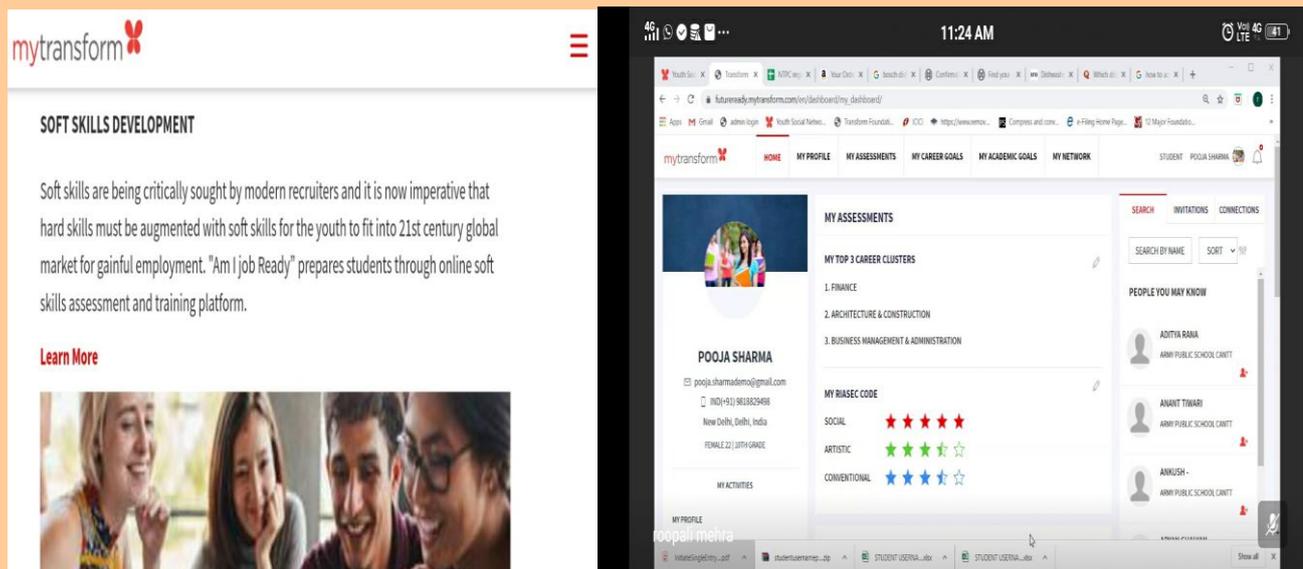

Time : 11:00 am to 12:30 pm

Resource Person/Organiser : Ms. Roopali Mehra

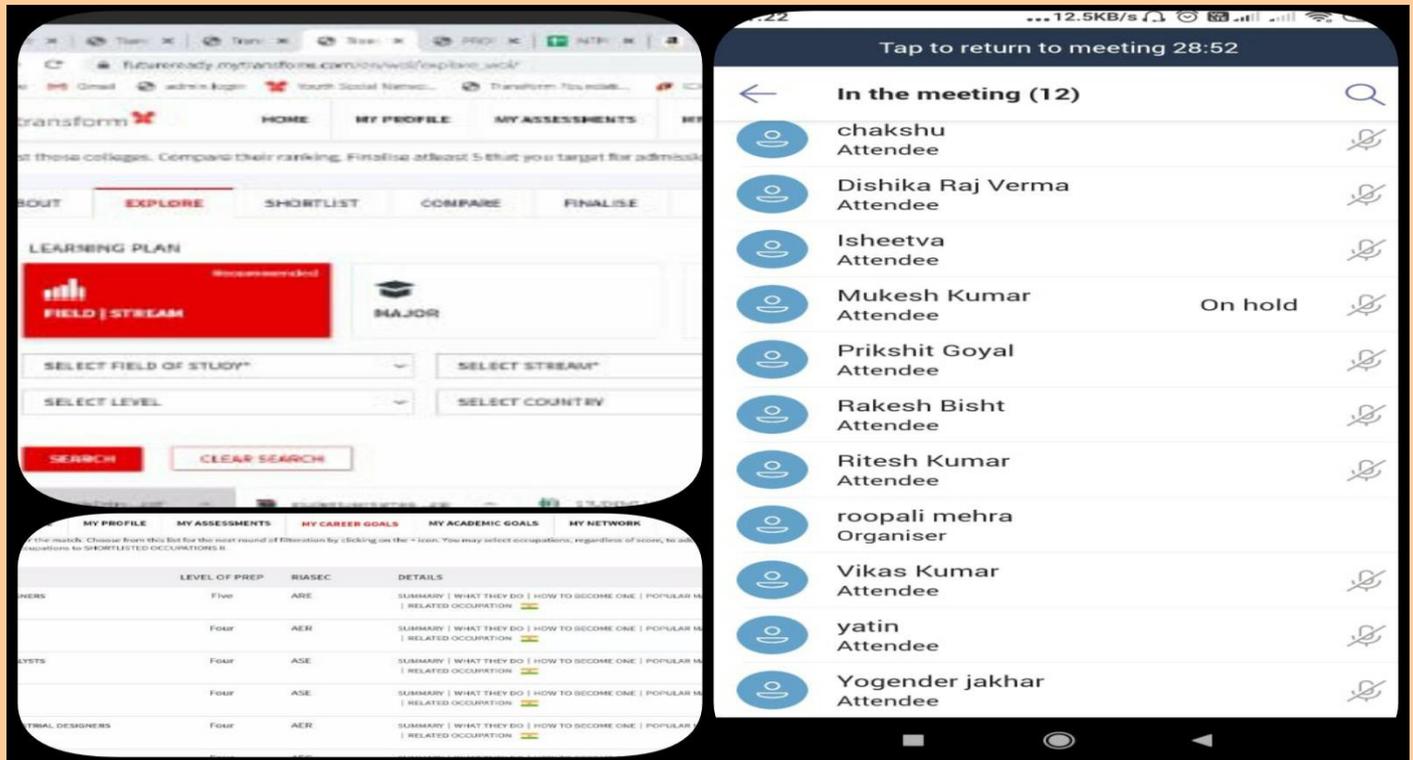

Objectives of the webinar :-

- To impart career education to students.
- To help students gain insights into their knowledge, skills, abilities, interests and personality.
- To provide wide array of career options to students.
- To help students develop an action plan to move forward in the direction of their career goal.

To achieve the objectives mentioned above, Transform Webinar was organised for the students of 10th class of Bal Bharati Public School, Jharli. This fruitful webinar took place in the presence of honorable Principal Mr. Anil Kumar Garg under the guidance of resource person Ms. Roopali Mehra through the platform Mytransform.com

During the webinar useful directions were provided about choosing a career. Through the platform they got a questionnaire to check their interests and abilities so that they become able to pick a profession according to their interest and ability. In true words, we can say this platform is a great tool to impart career education to students. Through the webinar students came to know about a variety of occupations, so it provided wide array of career options to students.

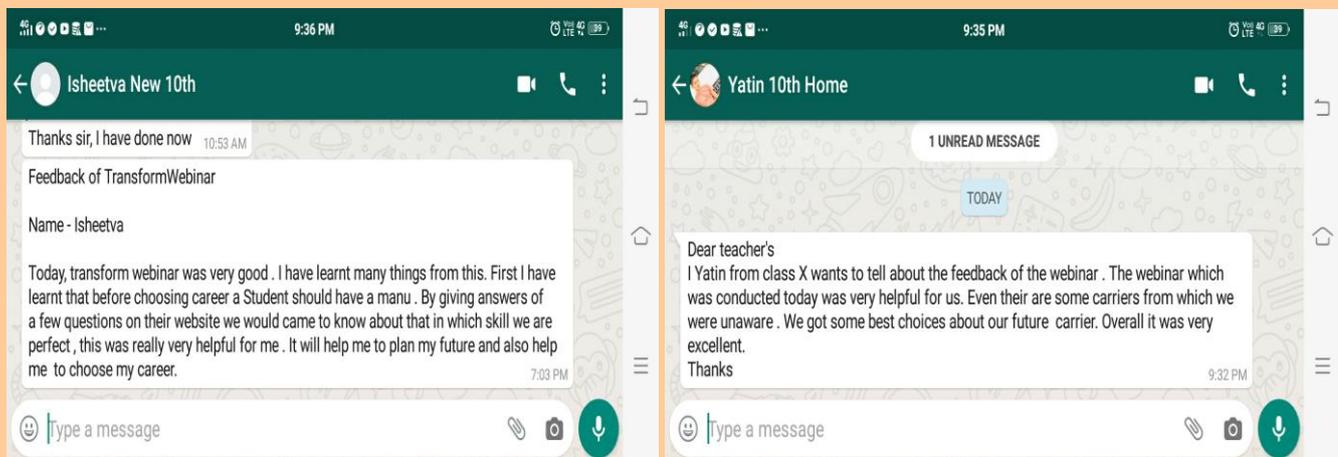

Teachers who attended the webinar :

Mr. Vikas Kumar (Incharge class- 10th)

Mr. Rajesh Kumar Yadav

Mr. Mukesh Kumar

Students feedback about the webinar

Overall this webinar was fruitful for the students of class 10th. They got a good platform to check and enhance their knowledge, skills, abilities to plan a profession in future according to their interests and personality.
