

CLASS V
SUMMER BREAK HOLIDAY HOMEWORK

SUBJECT	HOME WORK
ENGLISH	<ul style="list-style-type: none"> • Use A-4 sheets cut into half and create a pocket dictionary (at least 30 words). Choose any one word every day (you can take new words from EVS, Math or Social Science lessons); write its meaning and a sentence using it. Use one page for one word only. In the last week place the pages alphabetically as in a dictionary and tie it as a booklet and decorate. • Read any new story and make puppets of the characters. Learn and practice the story using puppets. Make a video and mail it at inderpreet.dave@jh.balbharati.org • Be a journalist for a day and interview 7-8 of your friends about what do they do to save the environment? Write the questions framed by you in your English notebook. Also write the best answer you liked in your own words with the name of that friend.
HINDI	<ul style="list-style-type: none"> • • पाठ - 1 के आधार पर मानवता विषय पर आधारित कविता पढ़ें व किसी एक कविता को कंठस्थ करें http://kavitakosh.org, www.hindikunj.com • • हरियाणा व तेलंगाना की संस्कृति को दर्शाते हुए पाँच-पाँच चित्र नोटबुक में चिपकाएँ व संस्कृति के बारे में पाँच-पाँच पंक्तियाँ लिखें • • क्या होता यदि हमारे देश में एक ही भाषा बोली जाती ? इस प्रश्न को पूछते हुए सभी परिवार के सदस्यों का साक्षात्कार लें व सभी सदस्यों के विचारों की एक सूची तैयार करें • • पढाए गए पाठों को अभ्यास सहित पुनरावृत करें व इन पाठों से संबंधित कार्य पत्रिका का काम भी पूरा करें • • लेखन सुधार हेतु 15 पृष्ठ सुलेख नॉट बुक में लिखें • • दिए गए चित्र में रंग भरें व चित्र का वर्णन करते हुए पाँच – पाँच वाक्य लिखें

A. The forests have played a crucial role in life on Earth. Forests provide us with essential items like food, shelter and medicine. However humans have exploited forests in a thoughtless manner and cutting them down rapidly. Make a scrapbook.

Cover and decorate it creatively. Do the following activities in the scrapbook :

- 1) Find out the names of any 8 species of animals or plants that are endangered because of deforestation. Paste their pictures. Find out their approximate numbers. Represent the data using pictures.
- 2) Find out the areal extent of the forest cover in India in different decades (in square km). You may use the website for collecting the information. Your data can be written in the following manner;

Year	Areal extent of the forest cover in square km
1935	8,69,012
1945	6,53,220
1955	6,38,460
1965	-----
1975	

- 3) Write the number names of all the six digit numbers you get in the data.
- 4) Express the numbers in expanded form.
- 5) Arrange all the six digit numbers in the Indian Place Value Chart.
- 6) Arrange the numbers in ascending and descending order.
- 7) Arrange all the six digit numbers in the International Place Value Chart.
- 8) Can you estimate the area of forest cover that will be left in India in 2050?
- 9) Suggest two ways of increasing the number of forests on Planet Earth.

B. Every drop of water on the planet is precious. Fresh water is crucial for drinking, washing and growing food. But the increasing population may push the planet towards a thirstier future. It has been predicted that by 2050, half of the World's population may no longer have safe drinking water. To manage competing demands for freshwater we should work with nature rather than against it. Do the following activities in a scrapbook

- 1) Make a record of the amount of water used in everyday activities for the month of June at your house. You may also mention the type of water used (filtered / bottled). Represent the data in a tabular form.
 - 2) Collect information on the amount of water consumed for different activities like industries, agriculture etc. in our country. Represent the data in a tabular form.
 - 3) Can you estimate the quantity of water we may be left with for drinking in 2050? Write down the numeral and number name of the quantity according to the Indian as well as International system of numeration. Express the numeral in expanded form.
 - 4) Suggest any two ways of conserving water so that we have sufficient water by 2050.
- C. Learn and write tables 2 to 20 in your notebook.
- D. Revise all the topics done till date.

EVS	<ul style="list-style-type: none"> • Survey of water usage per person per day of 10 different families (20 people) and prepare a data and present it on A4/A3 sheet or in a PPT. Example- 50 litre per person per day. • Do activities given on page no- 37 in your book. • Plant a plant on 5th June (World Environment Day) (Share photos on my whats app) • Revise the syllabus done so far. • Send your homework on WhatsApp or to my email i.e. kalpna.tyagi@jh.balbharati.org
SOCIAL SCIENCE	<ul style="list-style-type: none"> • Make a DIY magnetic compass. With the help of neodymium magnets, water bottle caps, glue. Do the required markings to make it functional as demonstrated to you in the class. Test your compass to see if it's working. • With the help of an atlas/globe locate the following places and write down their latitude and longitude in a tabular manner on an A4 sheet. <ul style="list-style-type: none"> a) Delhi b) Mumbai c) Arizona d) Auckland e) London f) Greenland g) Ukraine h) Tokyo • Revise the chapters done in the class so far.
COMPUTER	<p>Make 10 pages document on topic “Renewable sources of energy” using MS Word and mail the soft copy having name and class on the given mail id- suhani.goyal@jh.balbharati.org</p>
G.K	<ul style="list-style-type: none"> • Find the paper cuttings (newspaper/magazine) on Water conservation (articles related to how the government/people/students of a particular village, town, city have made efforts to save water) make a collage on an A3/ Coloured sheet. Speak a few sentences on it. <p style="text-align: center;">OR</p> <ul style="list-style-type: none"> • Make a PPT on the Seven Wonders of the World. Give details about it in the PPT. • Revise all the chapters done in the school so far both in textbook and notebook.
DANCE	<ul style="list-style-type: none"> • Zumba practice with hand juggling • Learn Ganesh Stuti and practice.
MUSIC	<ul style="list-style-type: none"> • Learn the lyrics of prayer songs, National Anthem, Do practice of Sargam patterns (1-5)
SPORTS	<ul style="list-style-type: none"> • Surya Namaskar , Tadasana, Bhujangasana, and Halasana
