Educational

trip to Gurukul

Museum and Group of Tombs Jhajjar

Objectives of the Trip :-

- To connect students to our glorious past.
- To generate their interest in history.
- To impart them deep knowledge about ancient and medieval history of India.

Museums and monuments play a great role in our life to know about our history and culture. Keeping in mind this objective Bal Bharati Public School, Jharli organized a one day educational trip to Gurukul Museum and Group of Tombs for their architectural style in Jhajjar for students of classes VI to IX of Dharohar Club on 17 September, 2022. The students learnt about the sources of history such as toys of Indus valley civilization, Idols of gods and goddesses of later Vadic age, Coins of ancient and medieval times about them they study in books. Gurukul Education

system and the importance of the same was also realized. This educational trip was a good source of learning for them.
