Outbound learning experiences are an integral part of teaching learning process of our school. Bal Bharati Public School, Jharli has taken initiatives for giving real life experiences to its students. The school organised a one day visit to Idea Lab at Panipat Institute of Engineering and Technology (OLE) for students of class 9th and 10th on 30th July,2022 to educate our students about the technological manifestation as a way of life .Sessions on the topics – Laser Printing , 3D – Printing , IOT (Internet Operated Things) , AR-VR were organised . A group of 10 students were taken separately to different Labs for giving hands on experiences. The students participated actively and asked thoughtful questions. All these sessions helped in increasing the critical thinking in students. Certificates of appreciation were given to all the students and teachers who attended the session.
