• (BE A WATER SAVIOUR)

Water is a natural resource that we get from the earth. Without it, we would not be able to survive! Imagine a world with no water at all. You will not be able to drink, take bath, wash clothes etc. Without clean water, other organisms, such as plants, animals, birds and sea life, will also fall ill and die. Saving water is the need of the hour. Do you know that as a child, you can play a big role in water conservation campaigns? In order to create awareness for saving water, you make two book marks on “Save Water” theme by your own imagination. Some ideas for bookmarks are given below:

COMPUTER

- Write about how you have celebrated new year using MS Word and mail it at Suhani.goyal@jh.balbharati.org
